

Oakland School for the Arts (OSA) is a dynamic, thriving, diverse charter school in an urban environment that serves approximately 800 students in grades 6-12. We are seeking a high school math (algebra and geometry) teacher to join our outstanding faculty.

Ideal Candidates Will Bring:

- Knowledge of and experience teaching in accordance with Common Core Mathematical standards and practices
- Experience teaching College Preparatory Math (CPM) or availability to take a 3-day training during the summer
- Ability to integrate theory with practice in designing and implementing appropriate learning strategies for each student
- Excellent classroom management skills
- An interest in collaborating with peers and an attitude of continuous learning
- Excellent interpersonal skills, and professional and ethical standards in working with students, staff, and parents
- An unwavering commitment to students and the school community, and to the OSA vision
- The desire and ability to contribute to student and community life inside and outside the classroom

Education and Experience:

- Bachelor's degree from an accredited college or university
- California Teacher Credential in Math or ability to obtain an Intern Credential
- EL Authorization
- Experience working successfully with high school age students

Salary based on qualifications and experience, benefits package competitive.

BIPOC candidates are encouraged to apply.
