

Oakland School for the Arts (OSA) is a dynamic, thriving, diverse charter school in an urban environment that serves approximately 800 students in grades 6-12. We are seeking full time middle school (6 – 8) math teacher to join our outstanding faculty.

Knowledge and Skills:

- Knowledge of and experience teaching in accordance with Common Core Math standards and practices
- Experience teaching College Preparatory Math (CPM) or availability to take a 3-day training during the summer
- Ability to integrate theory with practice in designing and implementing appropriate learning strategies for each student
- Excellent classroom management skills
- An unwavering commitment to students and the school community and to the OSA vision
- Excellent interpersonal skills, with the ability and desire to work collaboratively with the school community, including students, staff and parents
- Excellent interpersonal skills, and professional and ethical standards in working with students, staff, and parents
- The desire and ability to contribute to student and community life inside and outside the classroom
- An interest in collaborating with peers and an attitude of continuous learning
- Familiarity with interdisciplinary curriculum and teaching in an urban environment
- Commitment to professional development
- The ideal candidate must be committed to our vision and possess excellent classroom management skills

Education and Experience:

- Bachelor's degree from an accredited college or university
- California Teacher Credential – Single Subject in Math or Math Authorization with CSET I with English Learner Authorization
- Experience working successfully with middle and high school age children

BIPOC candidates are encouraged to apply.
