

Oakland School for the Arts (OSA) is a dynamic, thriving, diverse charter school in an urban environment that serves approximately 800 students in grades 6-12. We are seeking a middle school (6-8) science teacher to join our outstanding faculty

Knowledge and Skills:

- Knowledge of Next Generation Science Standards
- An unwavering commitment to students and the school community
- Excellent interpersonal skills, with the ability and desire to work collaboratively with the school community, including students, staff and parents
- The desire and ability to contribute to student and community life inside and outside the classroom
- Ability to integrate theory with practice in designing and implementing appropriate learning strategies for each student
- Collaborate with peers to enhance the instructional environment
- Model professional and ethical standards when dealing with students, parents, peers, and community
- Familiarity with interdisciplinary curriculum and teaching in an urban environment
- Commitment to professional development
- The ideal candidate must be committed to our vision and possess excellent classroom management skills

Education and Experience:

- Bachelor's degree from an accredited college or university
- California Teacher Credential in biology, earth science or physical science
- EL Authorization
- Experience working successfully with middle school age children

Salary based on qualifications and experience, benefits package competitive.

BIPOC candidates are encouraged to apply.
