Fine Arts Center Strings Chamber Music Teacher Job Description

Applications Open: January 14, 2019

Applications Close: February 8, 2019

Greenville County School District:

Greenville County Schools, located in beautiful Upstate South Carolina, is a great place to learn, work and live.

Recognized as a school system of excellence, Greenville County Schools was awarded district-wide National Accreditation from the AdvancED Accreditation Commission.

We are the State leader in school choice, featuring schools of various sizes in urban, suburban and rural settings, and magnet academies offering specialized studies in areas such as communications arts, languages, the arts, and science and mathematics. About 15% of our 76,000 students take advantage of school choice to match their needs and interests. The district is comprised of 51 elementary, 21 middle and 14 high schools.

Our schools have positive relationships with their communities. PTAs and local businesses are active and involved, providing hundreds of thousands of volunteer hours each year, as well as millions of dollars in financial support.

Fine Arts Center:

The Fine Arts Center provides a world-class arts education to high school students in Greenville County Schools. Students at the Fine Arts Center are identified as artistically gifted and experience a rigorous, pre-professional arts education taught by teaching artists in an inclusive, collaborative learning community. Graduates go on to top colleges and universities in their arts field of study and regularly receive sizeable scholarships. The faculty of the Fine Arts Center are practicing professional teaching artists who are highly skilled in their craft and are capable of effectively passing their craft to highly motivated students.

The school is organized so that students attend their home high school for core academic classes and then spend the other half of their school day receiving highly specialized instruction in their arts area at the Fine Arts Center. Students must audition to gain admittance to the program.

The Fine Arts Center has strong parent volunteer support and strong community partnerships with arts organizations in Greenville and across SC.

The Fine Arts Center offers a unique approach to string education in the United States. Daily chamber music classes are offered to develop individual technical proficiency, collaborative rehearsal technique, advanced musicianship, and performance. Students present several formal public concerts at the school, in the community, and participate in guest master classes. An advanced technical regimen, solo and chamber music of professional caliber compromise the musical literature of the course. Students participate in a variety of chamber ensembles performing works ranging from the Baroque era to premieres by contemporary composers.
